*Beat the heat and race the way cross country should be run, on grass fairways and under the lights at **Brookside Country Club @ the ROSE BOWL**. The cool breeze and racing under the lights on fairways will give your athletes the excitement of night racing and all on a golf course. Avoid the very hot September weather. This is a fast, flat, looped course done twice with a wide grass start. It's excellent for spectators and coaches to see your athlete multiple times during the race. **This is one of the top XC courses your athletes will run on this year. Great atmosphere, the start and finish lines are yards apart and the crowds are huge.***

New Date: Friday September 8

UCLA has a football game on Saturday at the Rose Bowl this year.

***Race is capped at 60, Please go to coolbreezeinvite.com and register and hold a spot for your team.
