

Roosevelt Twilight Distance Preview Meet

Friday March 2, 2018

We would like to invite you to the Inaugural running of the Roosevelt Twilight Distance Preview Meet. Where we will race under the lights from the 400m through 3200m. If your squad was a CIF XC State Finalist in 2017 and choose to attend you will receive a discount on entry as we look to make it a competitive early season meet.

We will have two levels of Frosh/Soph and Varsity. Which will allow our new athletes to get their feet wet early in several events.

Heat sizes will vary by event to keep them competitive and not over crowded.

For each event we will hold one Invitational heat limited to the top 15 entries regardless of grade for the event in the distances and top 9 in the 400m.

Meet Schedule

- | | |
|----------------|-----------------|
| 1. F/S 3200 | 8. Var 800 |
