

## **14<sup>th</sup> Annual Rosemead Track & Field Invitational** **Official Sponsor: Run With Us**

Dear Track & Field Coach,

Rosemead High School Track & Field teams are thrilled to announce their 14<sup>th</sup> Annual Rosemead Track & Field Invitational at Rosemead High School on **March 12, 2022** after its continued success in previous years.

The Track Invitational will also allow your teams to run Boys Varsity, Girls Varsity, Boys Frosh/Soph and Girls Frosh/Soph teams. This year we have teamed up with Finished Results to coordinate our Fully Automatic Timing System as they will allow us to handle a large field of athletes with quick and accurate results. Live results will be posted electrically on a Jumbo Tron on the south-end of the track and a smaller version at the finish line.

Our Main goal is to produce a track meet that is efficient, well run, organized and hospitable all at the same time. We hope that can serve and help give you this fun experience during the beginning of the season this year, as we welcome everyone from beginner to elite to join us at this amazing event!

Entry fees are as follows - \$20 per event, \$50 per relay. \$400 max entry fee per school (\$220 for each one gender teams. \$50 Late Fee for payment on day of the event. Competing schools must have payment in before day of event. Checks are to be made payable and mailed to Rosemead High School Boys Track & Field 9063 E. Mission Drive, Rosemead, CA 91770.

Entry into the Rosemead Track & Field Invitational will require each team to request and submit a CIF Southern Section contract for athletic contest to the meet manager:

[robertk.hernandez@emuhsd.org](mailto:robertk.hernandez@emuhsd.org) / Cell Phone (323) 365-8897 to assure entry into the Rosemead Track & Field Invitational prior to team registration.

Teams will also be required to submit their entries online at [Finishedresults.com](http://Finishedresults.com) / [ca.milesplit.com](http://ca.milesplit.com) by March 7, 2022, at 11:59PM. It is vital to the success of the meet that all teams submit as accurate marks as possible for seeding heats and flights.
