Dear Community Member of Covina and Nearby cities,

Covina Rotary Club is proud to be sponsoring the 27th annual Covina Fun Run at District Field Covina on April 27th 2024. The committee members are volunteering their time to create a Fun and enjoyable health conscious event for all.

Our goal is to bring the community together while supporting our teachers in both Covina Valley and Charter Oak School Districts as well as other community events.

We cannot do this without the support of individuals, organizations and businesses like yours. Your donation will go towards mini teachers grants and other community events.

This is why I am writing to you. Would you consider donating to help support our event? By giving to the Covina Rotary Fun Run Event (Teacher Mini Grants) and other community events, you will help us accomplish our goal of bringing another community event together while supporting our teachers, youth and the health of all who participate. Funds will be used for the Teacher Mini Grants and other local events.

We hope we can count on your help to make this event a success.
