Parking - Parking will be across from the Aquatics Center, north of the soccer fields. Bus parking will be along Searl Parkway. Attendants will be directing you.

Teams can set up tents in the soccer field near the finish area and the grass area to the east of the finish. There are 3 soccer fields and 2 will be hosting soccer games, so please do not try to use the other 2 soccer fields for camping or warming up.

Restrooms and Porta-Potties

There will be restrooms and porta-potties near the finish line and in the softball playing field areas.

This course is primarily dirt with some pavement at the start and finish and some grass near the end. Otherwise, it is dirt road. Binoculars will be handy for spectators who make the climb up to Spectator Hill.

Warming Up

Please have your athletes be careful of races in progress while warming up on the course. It will be best to warm up near the softball and soccer fields.
