

2022 Asics Cool Breeze Invitational at the Pomona Fairplex

New The 2022 Cool Breeze Invite will be held at the **Pomona Fairplex**, So Come out and beat the heat and race the way cross country should be run, on grass, dirt and under the lights at **the Pomona Fairplex**. The cool breeze and racing under the lights will give your athletes the excitement of night racing and all on a grass, dirt course. Avoid the very hot September weather. This is a fast, flat, looped course done twice with a wide grass start. It's excellent for spectators and coaches to see your athlete multiple times during the race, and the course is lighted by 95% permanent lighting.
