

Entry fees for the meet will be completed this year through MileSplit. The following instructions will walk you through the process. Please note, your registration is not official until payment has been received.

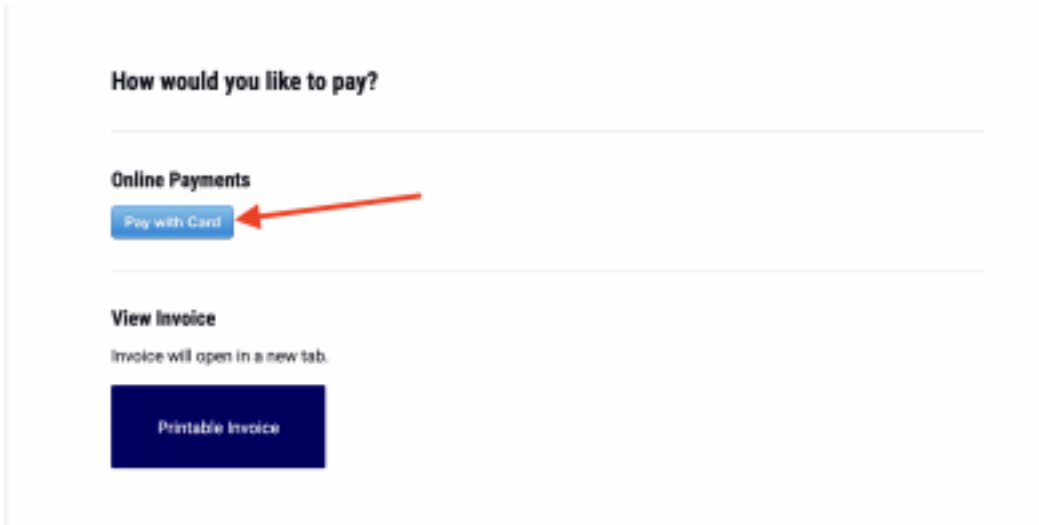

1. As you enter your athletes into events, a running total of the amount due can be located on the left hand column. This total updates in real time:

The screenshot shows the MileSplit registration interface for 'Boys Freshman' events. On the left sidebar, under 'Registration Open', it lists dates and times. Below that, under 'Payment Options', it shows 'Entry Fee: \$21.00' and 'Entry Due: \$21.00'. A red arrow points to these amounts. The main area displays a list of events with '0 Entries' and 'ADD ATHLETE' buttons. On the right, there is a 'Contact Info' section for Jeffrey Groker and a 'Reports' section. At the bottom right, there is a blue 'Make Payment' button.

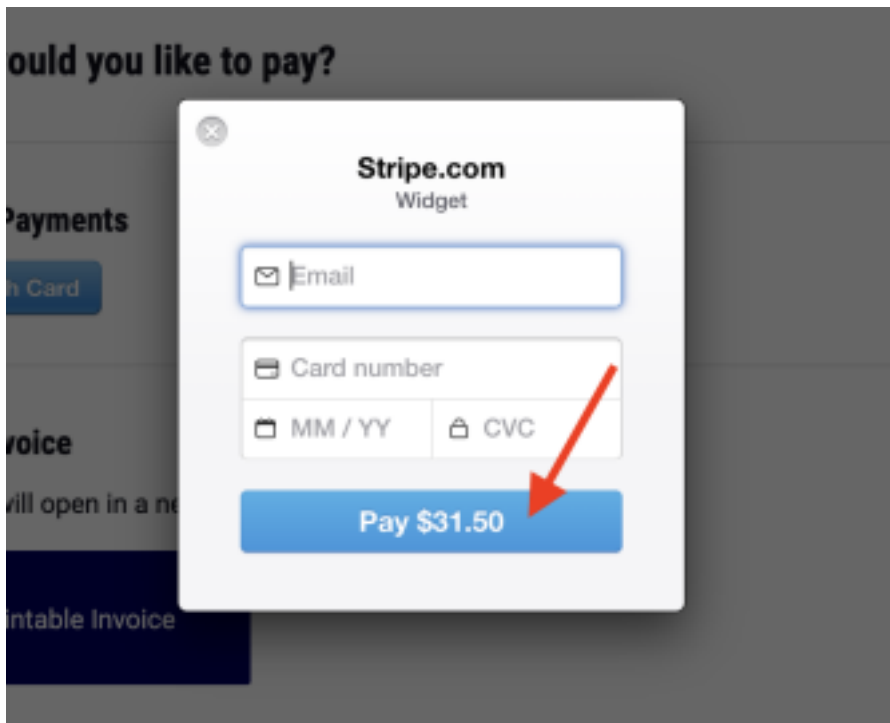

2. Once you have completed entering your athletes, simply click the “Make Payment” button in the bottom right corner of the screen:

This screenshot is identical to the one above, showing the MileSplit registration interface. A red arrow now points to the blue 'Make Payment' button located in the bottom right corner of the page.

3. On the next page, you can view and print your invoice or proceed directly to completing payment by credit card. To complete payment, click on the blue “Pay with Card” button towards the top of the page:

4. You will then be prompted to add your email and credit/debit card information. Once you have filled out all of the required fields, click the blue “Pay” button:

You have now successfully completed payment and registration for the meet!
