

# Lancer Invitational Final Information

Coaches, Thank you again for attending the 2022 Lancer Invitational. With currently 21 teams and 670 athletes registered, this year's meet is shaping up to be a great event.

## Final Registration

- Registration will close on Tuesday 9/6 at midnight with no additions or changes allowed.
- Please only register those that will be attending. We are charged per athlete registered whether they race or not.
- Athletes do not pre-register for a particular level, have them go to the start line at the time of their race.

## Added Race: Boys Frosh/Soph B

- We have added a Boys Frosh/Soph B race to help mitigate race size for that division.
- You may send up to 10 athletes to the A race. Send all other athletes to the B race.
- The A race will be the scoring race and medal winners for the Boys Frosh/Soph division
- This will let F/S B racers run against similar competition and give a better racing experience.

## Packet Pick-Up, Payment, and Tag Return

- Packet Pick-Up will be available starting at 6:30am near the softball field
- Packets will include bibs, pins, shoe tags, course maps and trash bags
- Payment is expected at packet pick-up: \$200 per Gender or \$20 per individual
- All shoe chips must be returned in numerical order by the end of the meet

## Team Set-Up

Teams may set-up on the main field at the track or along the fences of the lower field near the start line. Please help clean your area of trash before you leave.

## Spectators

Spectators may view the race from anywhere along the course. Much of the race can be seen from the bleachers at the track.

## Parking

Bus parking is located at the front of the school on Youngwood and Villaverde.

Spectators may park in the main parking lot. We expect the lot to fill, leaving only street parking.

## EMT and Medical

There will be an EMT on site as well as ice available in case of any emergencies. This will be located near the finish line.

## Food & Concessions

- We will have a couple of food trucks as well as a concession stand available

Please let me know if you have any questions.
